

## How to Find DVDs in the NWT Public Library Services Online Catalogue

Go to <https://nwte.sirsiidynix.net>, or search for NWT Library Services, then choose Online Catalogue then NWT Library Network.

The screenshot shows the top section of the NWT Public Library Services website. It features the Northwest Territories logo (a bear silhouette) and the text "Northwest Territories". Below this is a blue header with "NWT Public Library Services" in white. A navigation bar contains links: "Search/Home", "Catalog Searches", "New Books", "Look for Articles", "Find It Fast!", "E-books", and "My Account". A green bar below the navigation bar contains "Go Back", "Help", and "Logout". The main content area is titled "Quick Search" and includes a search input field with "DVD" entered, a dropdown menu set to "words or phrase", and a blue "Search" button. Below the search field is a "library:" dropdown menu set to "Mary Kaeser Library - Fort Smith". A "Power Search" link is located below the library dropdown.

This will give you a list of the DVDs in our collection. Generally, the first items on the list are newer items, and they get older the further you go through the list.

If you know the title of the movie or TV series you want to watch, enter it in the search bar and change "words or phrase" to Title in the drop down menu.

Once you've found some DVDs you'd like to borrow, contact the library at [mkl-admin@fortsmith.ca](mailto:mkl-admin@fortsmith.ca) or by phone at 872-2296. We'll need your name, street address, phone number and library card number. We deliver on Thursday; items requested by 7:00 pm Wednesday will be delivered that week. Patrons living in Bordertown, Bell Rock and beyond, will have to pick items up at the library, by appointment.
