Message from the Mayor

Residents of Fort Smith:

Both grocery stores would like to offer shopping times for Seniors and Vulnerable persons.

These hours are:

Northern - Daily from 9 am - 10 am

Kaeser's - Tuesday and Friday from 9 am - 1pm

To limit risk and exposure to seniors we ask that the general public not shop during these time periods.

In order to keep safe practices and sustainability, please follow these recommendations:

- Limit your time in the grocery stores.
- Refrain from going into stores when parking lots are full.
- Avoid making multiple trips when possible.
- Limit purchases to essential items.

Instructions will be posted in the morning of Tuesday, March 17 for information to assist residents who are in self-isolation.
